MAYOR'S MESSAGE

We made it! Summer has finally arrived. We have been busy planning our Founders Day celebration. It will be on Saturday June 26th. There will be some events during the week starting on the 21st, so keep an eye out for those. On Saturday look for a full slate of activities starting bright and early and running until late that night concluding with our awesome fireworks display at Weber High School. Last year was a great fireworks display and we asked our vendor to supply bigger fireworks so that viewing from across the city could be even better. I wanted to point out some changes that are taking place this year. The parade is starting at the City Office this year instead of the round-about.

This will allow us to incorporate the Barker park for people to sit and watch. There will be additional music and narration for the parade located by the round-about. The south slope of the park should make a great viewing area and allow people that have participated in the 5K run or the breakfast to just mosey on over to the south slope and watch the parade. Another big change that is happening this year involves the fireworks and the pre-fireworks show. Weber High will still be closed to the public so we will be having the fireworks pre-show with music at Barker Park. It will also serve as a good spot for viewing the fireworks display. Once again there will be music broadcast on an FM station to go along with the fireworks so watch for that information. Thanks to all that are helping with this big event.

Just a reminder about the dangers of summer. As you drive through our community, please be on the lookout for children that will be out playing, bike riding, skate boarding, and any other imaginable activity that kids will do. Parents and grandparents, please make sure your children wear the appropriate safety gear while out riding, scootering, or skating.

Please slow down! In May, an article was published that listed Pleasant View as the 4th safest city in Utah and while traffic speeds were not the determining factor in the rating, it is an important component to our overall safety. Let's all do our part and keep Pleasant View the greatest and safest place to live.

Once again, thanks for caring, thanks for all you do, and thanks for being good neighbors. I am committed to doing whatever it takes to ensure that we remain the best place to not only grow up, but the best place to grow old.

2021 Founders Day Honorees

2021 Founders Day Grand Marshals - Jerry and Cynthia Naylor

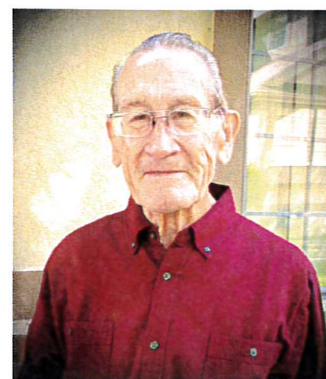

On April 1, 1956, Jerry and Cynthia Naylor moved to Pleasant View where they raised a family of five children. Both have been active members in the community and their church. Jerry is the owner of Valley Glass, a prominent northern Utah Glass Business. Jerry served in the United States Navy aboard the USS Platt during the Korean War, where he received many awards and citations for service above and beyond the call of duty. Jerry served on the Pleasant View City Council for two terms during the 1960s. He and council member Betty Tucker planned the first founder's day activity to bring the small community together. Jerry's motto is, "Be included in as many things as possible." He certainly took his own advice. Jerry served on the Foundation Board of McKay-Dee Hospital as it was being built, Ogden Rotary for 35 years, gate judge for the 2002 Winter Olympics, and the Ogden Pioneer Days Rodeo Committee. Jerry and Cynthia served an LDS Mission in the Washington DC Temple where they met Mac Christensen, better known as Mr. Mac, who was their Mission President. They became great friends. The Naylor's have been amazing members of our community, and we are happy to honor them as this year's grand marshals.

2021 Honorary Grand Marshal - Rulon Ashcroft

Rulon Ashcroft was born in Eager, Arizona in 1933. His early years were rich, he was raised in a home where love of God and country were solidly observed. His early life was spent working on his family ranch and going to school. After graduation, he was privileged to serve two years in the U.S. Army during the Korean campaign. Rulon was called to serve an LDS Mission to the Western Canadian Mission. After his return, he was able to attend Brigham Young University where he met the love of his life Caryl Jacobs. He and Caryl were blessed with four beautiful daughters, 15 grandchildren and six great-grandchildren. Rulon worked at Hill AFB and was able to move to the North Ogden/Pleasant View area in 1975. With all the places he has lived, moving to Pleasant View has proven to be a highlight of his life. Rulon and his family found the people here to be friendly and genuine, and they have made a wonderful home in Pleasant View that they cherish. Rulon can be found walking on the Pleasant View path making friends with everyone he meets. His smile and quick wit will win you over instantly, and you just know you are his best friend. Rulon is the first to volunteer for any assignment he is asked to do. Rulon is the grandfather that we all wish we could have. He can often be found sitting on the bench, he donated in the memory of his loving wife, along the walking path on Pleasant View Drive.

Even if you have never met Rulon, you will always receive a kind smile and a wave. We are pleased to recognize him as our Honorary Grand Marshal for Founder's Day this year.

"Founding stories at the Cabin" - Wadman Nature Park, Thursday, June 24th from 7:00 pm - 9:00 pm. Come bring your lawn chairs, listen to and share stories from the history of Pleasant View and enjoy some free ice cream.
