## SALMON BAKE Ticket Pre-Sale

Purchase your pre-sale Salmon Bake tickets! A dollar off, per salmon bake ticket only (not hot dog plate), when purchased from **Monday, June 3rd-Thursday, June 20th. Salmon plates only \$9.00 each!** City Office hours are Monday-Thursday 8 am to 5 pm and Fridays 8 am to noon. So make sure you've picked up your pre-sale tickets in plenty of time, because no pre-sale purchases can be made after this time. Ticket prices following the pre-sale event are: Salmon plate \$10 and hot dog plate \$5.

## COME Join the Parade!

You are cordially invited to participate in this year's Founder's Day Parade. To show your Pleasant View City spirit, consider joining the parade as a family, friends, neighborhood or whatever other reason!

*After all, Founder's Day is a tradition for generations!*

**Did you know that being a parade entry is FREE?** All that is required to participate is registering with the City, no later than June 9th.

Email [achristensen@pleasantviewcity.com](mailto:achristensen@pleasantviewcity.com), visit the Founder's Day page of the city website, or stop by City Offices to pick up the registration forms. Floats are obviously fun and encouraged, but decorated trucks, golf carts or bicycles are welcome, as well as walkers and performers!

This year's Grand Marshals are Eliot and Gayle Casperson.

**All veterans are invited to participate in the parade. If interested, please meet at the driveway on Elberta Dr between Barker Park and City Hall on June 22nd @ 9:30 am**

### Calendar of Events

- June 6: Planning Commission
- June 11: City Council
- June 21: Movie in the Park
- June 22: Founder's Day
- July 4: 4th of JULY  
(City Offices Closed)

## **PV Police Beat**

With summer here and school out Pleasant View Police are seeing more night time activity in the city. Every year about this time the police see an increase in night time thefts and vehicle burglaries. Construction sites are also being targeted. The bad guys roam the streets at night looking for easy items to steal. Unfortunately it does not take them long to find something of value in your or your neighbors cars or yards. We as a Police Department are trying to educate our good citizens on how not to be a victim. Already this year we have had thefts from vehicles, garages and yards. Keep valuables locked up and out of sight. If your garage is not locked bandits can access your garage, car and possibly your house. In one case we had, a purse was inside the house in the kitchen with the car keys in the purse. The home was accessed through the unlocked garage. The car keys were taken from the purse in the home. The garage door was then opened by the remote and the car was stolen from inside the closed garage. In another case, an older car was moved from the driveway by the bad guys so they could steal a better car inside the garage, all while the car owners slept inside the home. We are a trusting community and can be easy prey. When we do catch a bad guy they will tell us they come to the smaller communities to steal stuff because we have better stuff. Please help us by being aware. Use outdoor lighting, lock everything up, and keep valuables out of sight.

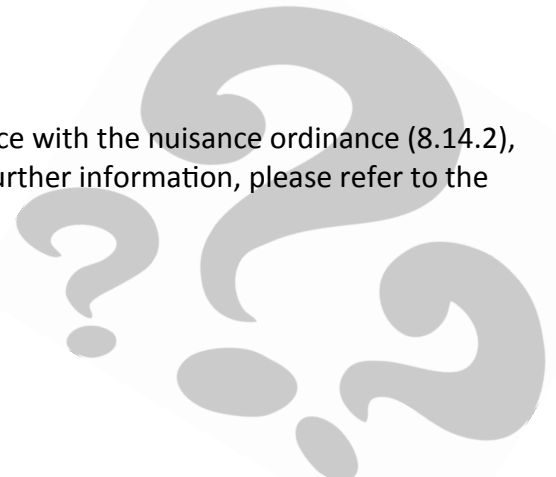

Report any suspicious activity to the police at 801-629-8221 or 911 for emergencies.

Thank you, Ryon M. Hadley. Pleasant View City Chief of Police

---

### ***Did you Know?***

It's illegal to park a vehicle or trailer on the grass. To be in compliance with the nuisance ordinance (8.14.2), you must park on materials such as gravel, cement or asphalt. For further information, please refer to the ordinance at our website [www.pleasantviewcity.com](http://www.pleasantviewcity.com)

***PUBLIC NOTICE***  
***SUMP PUMP CONNECTIONS IN SANITARY SEWER***

The sanitary sewer that leaves your home is transported by pipes and pumps to the Central Weber Sewer Improvement District treatment plant. This network of pipes is managed by the cities and districts that provide wastewater collection services and by Central Weber Sewer. Your connection and the smaller collection system pipes are managed by Pleasant View City and the larger pipes, called trunk lines, and the treatment plant are managed by Central Weber Sewer. In recent years a growing problem is taxing this infrastructure and we are asking for your help to find a better, less expensive solution for our community.

Sanitary sewer systems are sized to handle sanitary sewer discharges, not storm water. In the past, a very large amount of storm water entered the sanitary sewer system causing sewerage backups into homes. This was an unsanitary and financially damaging situation to the residents of those homes. Much of this excess water was from sump pumps that are discharging into the sanitary sewer system. This is a community problem, as the sump pumped water came from both affected homes and homes that did not suffer sewerage backups. One sump pump may seem insignificant, but please consider that a single normal sized pump (10 gallons per minute) running continuously can generate as much water as 40 or more homes normally discharge into the sanitary sewer system. State law and CITY ORDINANCES prohibit the connection of storm water into the sanitary sewer system, including sump pump discharges.

Connecting a sump pump to sanitary sewer drains may be simple and inexpensive initially, but it is impractical for you and the community in the long run. Because it is relatively clean water, storm water does not need to be processed and treated like sanitary sewer. If the system were redesigned to handle sump pump discharges, significantly more infrastructure would need to be built immediately. In addition, such increases in flow would likely require a major treatment plant expansion and Pleasant View City may require additional infrastructure. The last major treatment plant expansion cost \$150,000,000. These costs would be paid by you in the form of increased rates and property taxes. Consider the possibility of your monthly sewer rates and annual sewer dedicated property taxes doubling immediately!

If you have a sump pump to remove groundwater from your basement, observe where the discharge goes. See the figure below for information on proper connections. If you are unsure if your sump pump is connected correctly, call the Pleasant View City Public Works Department. Although fines for illegal sump pump connections are allowed by state law, Pleasant View City is committed to helping the community solve this problem with the least impact to our citizens. Pleasant View City will not issue any fines to any citizen who request a sump pump inspection with an intention of correcting any problems that may be found. Pleasant View City is also offering technical assistance to any resident needing corrections. Pleasant View City prohibits the connection of sump pumps to the sanitary sewer system on all new construction, and we will be monitoring sewer pipe flows and searching for illegal connections of sump pumps. Fines may be imposed if illegal connections are discovered.

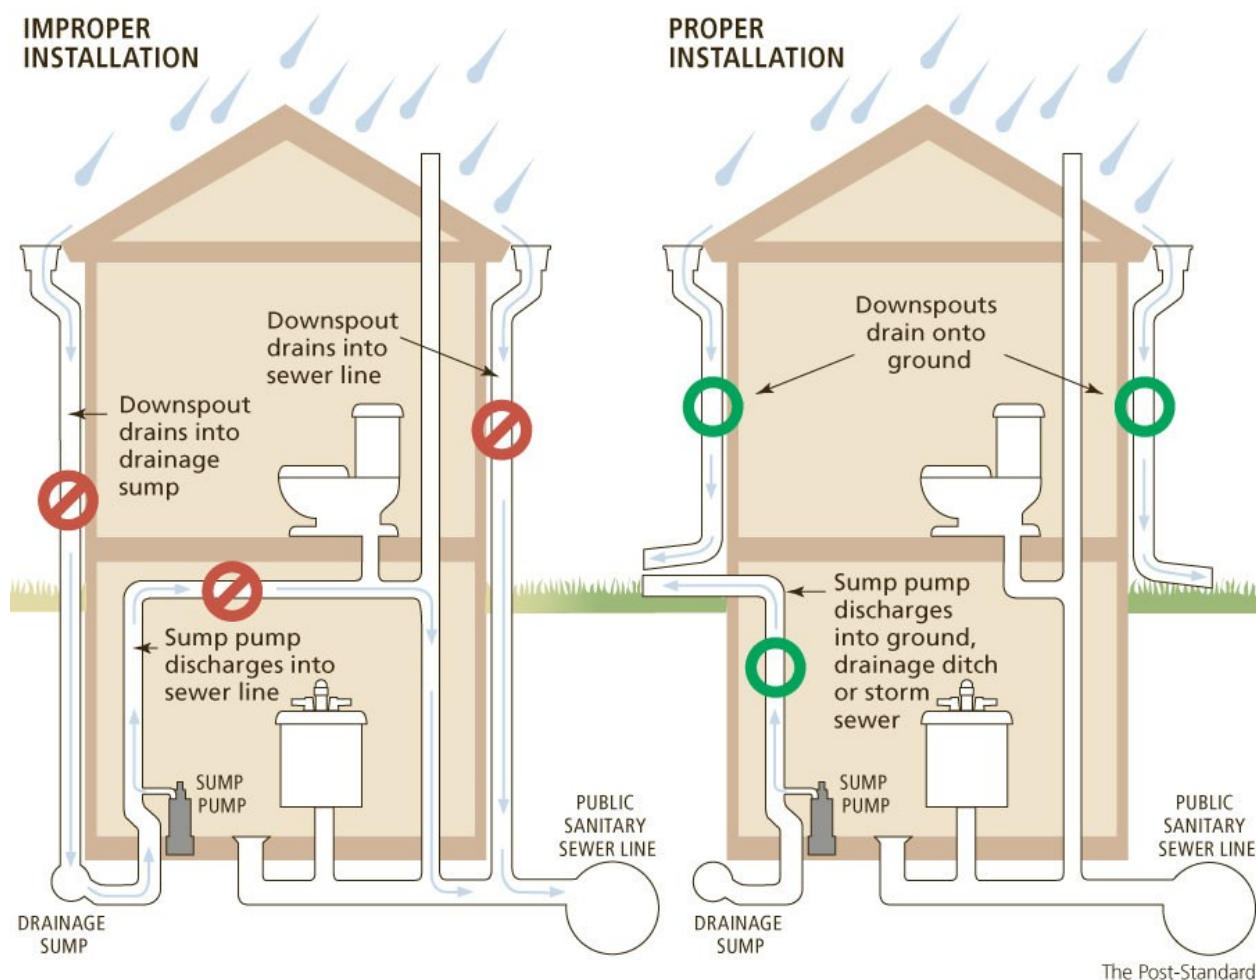

Figure. Illustration of proper sump pump connections (adapted from [www.syracuse.com](http://www.syracuse.com)).

## **Important Notice Regarding Fireworks**

# Pleasant View Founders Day 5K

Visit the  
www.pleasantviewcity.com  
Founder's Day page for full  
size registration  
forms/information.

Join us for the 7th annual Pleasant View Founder's Day 5K! This family friendly fun run will start on the canal above Weber High School and run East to Washington Blvd, then down Washington to Weber High Drive and down Weber High Drive to Barker park. The majority of the course is flat or downhill and will make for a fun, fast run for all ages.

Race starts at 7am followed by breakfast at 8am.

Bring your family and friends to cheer you on and join you for the Pleasant View Founder's Day breakfast. The Founder's Day Breakfast is a fundraiser towards building a veteran's memorial near the Pleasant View City building. The breakfast is included with your race fee and is only \$5.00 for everyone else.
