MAYOR'S MESSAGE

Hopefully, you took the time to exercise your right to cast your vote in last month's election. I am excited to be able to represent you for the next four years. I am hopeful that we can continue with many exciting projects that can bring business and ease the residential tax burdens that we each share. Congratulations to Steven Gibson and Phillip Nelsen for their election to 4-year terms. This will be Steve's 3rd term and he brings a wealth of institutional knowledge to the position. Phillip will be beginning his first term and has a great background in governmental laws and ordinances. I believe that the city will be in good hands and look forward to serving with this new City Council. We will miss Council member Kevin Bailey, who did not seek re-election. He has served the city very honorably and his wealth of knowledge and depth of passion and love for the city will be missed on the council. Thanks to all that put their names out there and that wanted to be involved in their city.

I do not know about each of you, but for me this year has just sailed by, at least compared to the painful year we all experienced last year. This year has certainly not been free from problems. On the contrary, we seem to have even more complex health, political, and social problems than even last year. What I did learn from last year is that time marches on. Our lives change and we must pay careful attention to the things that matter most. Our health, our families, our faith, and our society. I find myself reflecting a lot on the past, present, and future. As your mayor, I work to pay close attention on what is happening in the present as well as planning for our future. I have personally started paying much more attention to the past. My family's history, our community's history, and my personal history. I find all these histories increasingly more fascinating. We have a great organization in our city that has been functioning for a few years now called the Pleasant View Heritage Foundation. They are dedicated to preserving, documenting, sharing, and educating our heritage. They have had some wonderful activities during our Founder's Day activities, and I look forward to the future to be able to learn more about the past. I encourage each of you to explore your own heritage wherever that may take you. It is truly interesting and fun.

Thanksgiving is now just a memory. We all have something or someone to be thankful for. As we approach this holiday season, let us remember that we are all in this together. There is someone out there that needs a helping hand. Maybe, help with Christmas for their family, or help with a holiday meal. Maybe it's as simple as a visit and the gift of your time and caring for a family member or friend that needs the reassurance that they are not alone or forgotten. We each can bring happiness and joy to someone in need. Reach out and be there for them, not only this holiday season, but throughout the year. Thanks for all you do and will do.

Thanks for caring, thanks for sharing, and thanks for being good neighbors. I am committed to doing whatever it takes to ensure that Pleasant View remains the best place to not only grow up, but the best place to grow old.

SANTA IS COMING TO PLEASANT VIEW!

Saturday December 11th from 10 am-12 noon

We'd love you to join us @ the city office for this FREE event to promote giving and holiday cheer!

Come meet Santa and Mrs. Clause, get your photo emailed, receive a special gift, make a gift bag, enjoy a sweet treat and participate in the unity of our community.

We will be collecting donations of warm winter clothing (coats, hats, gloves, boots, blankets, etc.) to help those less fortunate in our community and we invite you to consider what you can give.

ANGELS IN OUR COMMUNITY

We truly have angels among us in our community. The Tri City Exchange group reached out again to our city and asked us to help them deliver over 100 Thanksgiving meals to our area!!

This organization is run completely by volunteers and this food is donated from vendors all over the state. Our Mayor, City Council and City Staff stepped up to the plate and rallied the community who showed up!

We are so thankful for our amazing residents who are always up to the task of pitching in! That is what makes our city so great!

Thanks again to the city staff who helped, even after they got off work! We have the best of the best who work here at our city!! Thank you!!!

SNOW PLOW SEASON

Please keep snow on your property. Throwing snow in the street is not only illegal, it also places extra strain on the plow blades and ruins the tips. Let's work together to keep our streets clear and our snow plows in good shape. Thank you!

PLEASANT VIEW PICKLEBALL DONATIONS NEEDED

The Pleasant View Pickleball Association (PVPA) is partnering closely with Pleasant View City to construct up to 8 new pickleball courts. We invite residents to become part of this project and are in need of monetary donations. We are applying for a RAMP match grant and would like to secure donations before December 31st to maximize that match.
