## MAYOR'S MESSAGE

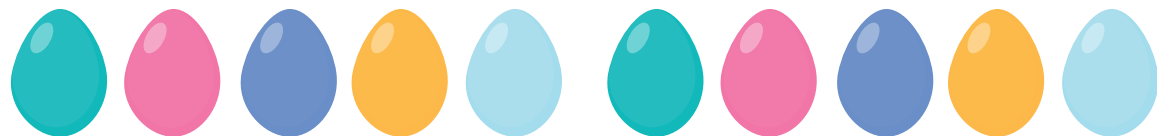

Awwwww, spring has sprung, well hopefully it has. It's March 22nd and I'm writing my April message and it has been snowing all afternoon. By my reckoning, it's the 2nd day of spring yet it is 32 degrees and snowing heavily. This is one of those good news, bad news events. It is really good that the temperatures are staying low to slow the runoff, but at the same time, it is adding more snow that eventually will need to come down. Hopefully, we can get the snow off the mountain now that April has arrived. We all need to understand that it could take well into June before threats of flooding have been reduced and all the snow is off the mountain. I urge you to stay vigilant all spring long.

It's that time of year again when we get to witness our children or grandchildren descend onto Pleasant View Park for our annual Easter Candy Grab. It will be held on Saturday, April 8th. This fun event starts PROMPTLY at 10:00 am. Do not be late or you will surely miss out on a fun event. No one in their right mind wants to deal with children that have missed the chance to score a basketful of candy that will be sure to keep them bouncing off the walls for weeks. The new format that we tried last year was a big hit with parents. For those that may have missed it, we allowed families to stay together instead of breaking up into age groups, which seemed to work well. We are planning on keeping up with that same method. This allows parents and grandparents the ability to enjoy all their children in one area instead of needing to divide up and choose who watches whom. It goes quickly and is over in a matter of minutes. Please take a short amount of time and come and join us for some fun! Now more than ever it is a true family event.

The City Council held its first Founders Day meeting during the last week of March, and preparations are well underway for another fun time. Founders day will be held on Saturday, June 24th with events scheduled for the entire preceding week. We will be publishing the full schedule shortly. Since I am writing this in the middle of March it might even be appearing elsewhere in this very newsletter. If not, it will be pushed out very shortly. June is fast approaching.

Once again, I am committed to doing whatever it takes to ensure that Pleasant View remains the best place to not only grow up, but the best place to grow old.

## VEHICLE THEFTS ON THE RISE

It won't be long until Spring and Summer are here and we can start cutting grass instead of shoveling snow. The Pleasant View Police Department appreciates those who kept their cars off the road for snowplowing and traffic safety during the winter. As good weather arrives, we usually see an increase in vehicle thefts and vehicle burglaries. Common thefts we see are from vehicles, trailers, and open or unsecured garages.

Please keep all valuable items out of sight and locked and secured. Please never leave vehicle keys in your car. Nighttime lighting is also a deterrent to thefts.

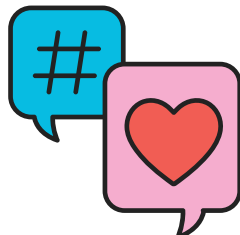

Report any suspicious activity or persons around your home and neighborhood. The Pleasant View Police 24-hour dispatch number is 801-395-8221 or call 911 for an emergency.

## WINTER PARKING REMINDER

Remember, it is unlawful for any person to park a motor vehicle, recreational vehicle, trailer, any other vehicle, or object of any kind, on any public street or right of way while snow plows are operating or while streets are snow or ice covered. It is also unlawful to throw snow into the street.

The plows need to be able to do their job and clear the streets. Citations may be issued for failure to comply with these important safety regulations.

Thank you for your cooperation.
