MAYOR'S MESSAGE

This past month I had the truly wonderful opportunity to attend the 9/11 tribute that was held at the Weber County Fair Grounds. This was a stark reminder to me of not only the tragedy, but also the amazing grit, courage and selfless acts of heroism that were performed that day. Many resulting in the saving of thousands of lives but also the loss of life of the heroes that performed these acts. I hope that many of you had the opportunity to revisit that day by attending this tribute or perhaps watching one or more of the many documentaries that were shown on the television that week. It reminded me that we should truly honor our commitment to never forget.

This October is the beginning of election season. With mail-in voting, we no longer have just an election day. Ballots will be coming to you in the mail starting about the middle of this month. I hope you will all take this opportunity to cast your ballot. This is a wonderful right and should be held close to each of our hearts and not taken for granted. This year there will be a very important bond question for the Weber School District. Please take the time to vote on this issue. If you would like more information before you cast your ballot, google "Weber School District 2021 Bond" or check out their Facebook page. They have a very informative short video explaining more about what they are trying to accomplish. If you do not cast your ballot by mail, remember that election day is November 2nd. Whichever method you choose to vote, do just that, VOTE. It's one of our most precious rights!

I told you that I would keep you informed of the additional commercial prospects we have coming along 2700 North. The first one has officially submitted their application for development. We are excited to welcome SUNPRO, a large building materials supplier. They have applied to have a large operation including a retail store on the property located on the south-east corner of 2700 N 1000 W. They anticipate annual sales in the multi-millions. They and their developer have been wonderful to work with and we look forward to welcoming them into our community. Stay tuned for further information on this and many other exciting projects yet to come.

Last, but not least! This is the month of goblins, ghouls, and many other scary creatures. Yep, my least favorite, and my wife's most favorite holiday strikes again. Parents, please protect your precious children this Halloween. Drivers, please slow down every day, but be extra vigilant on this haunted night and watch closely for the monsters, princesses, and the like. BE SAFE!

Once again, no matter how you do it, educate yourself and VOTE. It's your right. I'm thankful for the opportunity to represent each of you. I'm thankful for all you do, and I'm thankful for you being good neighbors. I am committed to doing whatever it takes to ensure that Pleasant View remains the best place to not only grow up, but the best place to grow old.

WATER & SEWER LINES

With our current drought situation, the roots from trees, shrubs, etc. tend to go deeper to find the closest source of water. Keep a close eye on your sewer and water lines in between your home and the road.

YOUTH CITY COUNCIL (YCC)

Come join PV Youth City Council and get involved with fun community activities, civic engagement, amazing retreats and much, much more. For more information, contact CC Member Sara Urry at (801) 737-0523 or surry@pleasantviewcity.com. It's going to be an amazing year!

PLEASANT VIEW PICKLEBALL EXPANSION

The city is excited to be working with the Pleasant View Pickleball Association to pursue options for up to eight additional pickleball courts to be added for play.

Thirty minute clinics are being provided Oct 22-23 to raise funds for the pickleball courts project. Sign ups are available online. Learn more and become involved in this effort: <https://www.pleasantviewpickleball.com/>
