MAYOR'S MESSAGE

Secondary water is set to be shutoff on October 14th. A big thanks to each of you for your efforts in water conservation. Our combined efforts throughout the water district made it possible to have access to secondary water longer this year and the recent storms have helped green things up a bit. Now comes the next big project. Fall is here and with fall comes leaves. I love autumn. I love the vibrant colors as the leaves change and the trees give them up. For the past few seasons, the leaves have just been a little bit blah. I am sure it's because of the drought. As I was thinking about this it occurred to me that the lack of brilliant color for the past couple years has seemingly mirrored life. Pandemics, crazy weather patterns, runaway inflation, falling stock markets, and incessant political bickering: lackluster foliage mirroring lackluster life. The trees will still lose their leaves as they slowly dissolve into piles and piles of work. Life also will continue to go on with many challenges. I hope we can all remain optimistic and look forward to better times, because just as the trees will blossom again in the spring, our own situations will improve. We will get through difficult times and someday soon be renewed in our very own springtime. It's a battle to stay positive with so much going on and if you or your loved ones are struggling to make sense of life right now, please reach out to someone. There are people out there that can help. You're not alone. Everyone's mental health is a little bit frazzled right now. So don't be embarrassed, just google "mental health help" and you will see a host of resources available to you.

As each of you work to clean up your yards, our public works employees will be working diligently to try and keep the storm drains clear. Please do your part by keeping the leaves out of the gutters. If you have a storm drain in front of your property, please keep an eye on it and if you are able help keep it cleaned out. If you are not able and notice that it is becoming clogged, we request that you call the city office at (801) 782-8529 and inform them of the situation. We will try to get someone out as quick as possible to clean it out.

As I mentioned this last year, and I believe that it is again a timely reminder. My wife's favorite and my least favorite holiday is fast approaching. Halloween is a scary holiday. Scary for many because of the ghosts, ghouls, monsters and little imps. It's scary to me because of the potential danger to our children. Please be proactive in their safety. Make sure that they are visible to vehicles and try to keep them off of the streets and on the sidewalks. If you must travel in your cars, please be extra safe and vigilant on this scary night.

As always, thanks for caring, thanks for all you do, and thanks for being good neighbors. I am committed to doing whatever it takes to ensure that we remain the best place to not only grow up, but the best place to grow old.

PLEASANT VIEW HOT SPRINGS:
THEN & NOW | 1890-2022

Join the Pleasant View Heritage Foundation to learn more about Native American culture and former hot springs located within our community. This is an opportunity to engage in the history of Pleasant View and look to the future. The meeting includes presentations by Joyce and Jo Harline, Wynn Phillips, Mike Humphreys and David Allen. All are welcome to attend this heritage event. The meeting will be held Thursday, November 3, 2022, at 7 pm at the Pleasant View City Building Basement, 520 West Elberta Drive. For additional information about this meeting and our local history visit: pvheritagefoundation.org.

The Pleasant View Heritage Foundation is a community based non-profit organization working hand in hand with Pleasant View City officials to preserve and share our community's history and foster the culture of those who came before us. During the few months that the Foundation has been in existence, it has participated in Founders Day Events (parade, Goose Chase online games, etc.), provided a wall of Mayor's display for the City Hall, produced Stories at Wadman Park, and has coordinated with historic groups in the area to maintain and preserve the City's history.

BASKETBALL REGISTRATION

Basketball registration open
October 1st-31st!
Boys' grades 3-9 & co-ed 1st/2nd grade

Season play: beginning of January
through beginning of March
Register online @
pleasantviewcity.com

WINTER PARKING REMINDER

Remember, from November 15 through March 15, it is unlawful for any person to park a motor vehicle, recreational vehicle, trailer, any other vehicle, or object of any kind, on any public street or right of way while snow plows are operating or while streets are snow or ice covered.

The plows need to be able to do their job and clear the streets. Citations may be issued for failure to comply with this important safety regulation. Thank you for your cooperation.

COME JOIN THE YOUTH CITY COUNCIL

Calling all PV Youth 8th-12th grade....Come join Youth City Council and get involved with fun community activities, civic engagement, amazing retreats and much, much more.

You can find the digital application at pleasantviewcity.com under "I Want To - Apply For - Youth City Council".

Meetings are held the 1st Thursday of each month at 7:30 pm in the City Council chambers.

For more information, contact Councilmember Sara Urry at (801) 737-0523 or surry@pleasantviewcity.com. It's going to be an amazing year!
